SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the Supplemental Information Disclosure Statement filed November 19, 2009, the Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached form prepared by Applicants; this form is generally based on Patent and Trademark Office form PTO/SB/08a, but is not a USPTO form. Copies of two non-patents literature document and a translation of the Japanese office action in the application corresponding to the present application in Japan are enclosed herewith. Applicants note that Japanese reference (JP 2003-529559T) corresponds to WO 01/054719, already of record.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of any accompanying form, whether such form is generated by Applicant or is a USPTO form, is not an admission that all

listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of a fee, in accordance with 37 C.F.R. 1.97(e). The enclosed references were provided in a communication from a foreign patent office in a counterpart foreign application not more than three months from the filing of this Supplemental Information Disclosure Statement. If this is not correct, please charge any required fee to Deposit Account No. 07-1969.

Respectfully submitted,

/donnamferber/
